Congratulations on your forthcoming wedding from all of us at Gulf Station. Our philosophy and aim at Gulf Station is the same as yours; to make your wedding as memorable as possible. ## About Gulf Station

Gulf Station is a pioneer working farm built in the 1840's and is the oldest and most intact example of a pioneer homestead and outbuildings in Australia. Nestled into approximately 23 hectares of pastoral land in the Yarra Valley, Gulf Station is the perfect rustic setting for your wedding. Our staff are both friendly and professional and will do all that they can to ensure that your day is everything that you want it to be. We are proud to offer you a venue that is as unique as your special day, and we hope that you will enjoy the rusticity and romance that Gulf Station offers.

## Wedding Ceremonies

Wedding ceremonies at Gulf Station can take place either indoors in the Barn or outdoors in the grounds of the homestead or paddocks. The Barn is a rustic and charming venue with slab cut timbers enclosing an intimate space with a tall pitched ceiling – a romantic setting which exemplifies a truly country style wedding.

The Paddocks and homestead grounds can also be used for wedding ceremonies and can take advantage of the spectacular vistas across the site – rolling hills, grazing farm animals and the distant vineyards, all set against the backdrop of the many heritage listed timber farm buildings that make up Gulf Station.

All wedding ceremonies at Gulf Station are inclusive of wedding photography.

## Wedding Photography

Gulf Station offers breathtaking backdrops for wedding photography. With its rolling paddocks, rustic farm buildings and grazing farm animals Gulf Station offers a variety of locations and backdrops for your wedding photographs. Have your special day immortalised as you and your betrothed amble through the paddocks or nestle yourselves amongst the stunning flowers in the cottage garden. Gulf Station offers you a range of romantic locations for memorable photographs filled with rustic country charm.

## Wet Weather Backup

In the event of inclement weather on the date of your wedding ceremony you can book the Barn subject to availability, at an extra cost. This must be ordered no later than 14 days prior to the ceremony. See Venue Hire Fees & Charges below for more details. Wet weather umbrellas or marquees can also be arranged through our preferred external suppliers. Please liaise with Gulf Station staff if you are interested in this option.

Wedding photography can take place in the farm buildings in the case of inclement weather at no additional cost.
